INTRODUCTION TO CHINESE COOKING

Chinese cooking styles are divided into four major regional groupings: Northern (Beijing/Mongolian), Southern (Cantonese), Eastern (Shanghai) and Western (Szechuan/Hunan).

We specialize in the Beijing and Szechuan/Hunan styles, because they showcase what Chinese cuisine is known for: natural coloring and interesting shapes, appealing combinations of aromas, contrasts in texture and wide variations in ingredients and flavors.

The Beijing style came from the wheat-growing northern plain of China, near the Royal palace. It exemplifies "high cuisine," for it was created especially for the Imperial Family and using heads-of-state. Natural subtle seasonings are its hallmark.

Szechuan/Hunan cooking means hot and spicy to most diners. Liberal use of red and Szechuan peppers and rich seasonings have rightly earned this style its reputation.

THE IMPERIAL BANQUET

A special cuisine experience designed to suit our guests' hospitality. Sample our finest creations, from unusual seafoods, special meats and exotic poultry, through exotic pastas, gourmet soups, crisp Oriental vegetables and tropical fruits. Our master chef enhances the presentation with artistically decorated garnishes, and when requested, half-dress a sumptuous special for your royal party from our fresh, seasonally available ingredients. This banquet is designed to suit your specific wishes, or we request at least 24 hours notice. 8 persons minimum. \$20 minimum per person.

LET THE EMPEROR CUSTOMIZE YOUR MEAL

Chinese cooking is intrinsically healthy, for it combines fresh, lightly cooked ingredients with very little fat. In addition, our experienced chefs can prepare special dishes for you not on the menu — even recreating Chinese dishes you've discovered elsewhere. We can "cool off" Szechuan/Hunan or "spice up" any dish.

A Delicious Tradition.

The Panda Express story started with Andrew Cherng, an inventive young man from the picturesque Yangzhou region of China. His father, a master chef, had the unique gift of creating irresistible flavors using the finest ingredients.

Andrew brought these recipes to America. He knew wisely, that a real meal that could actually be had fast, hot and fresh would catch on like a wok on fire! And did it ever. Today, Andrew's passion and his wife Peggy's leadership, have made this family-owned and run business unparalleled as they grow with over 11,000 talented associates across the country.

It all started with Andrew's father back in China and continues today, still family-owned and still focused on flavor. So share the flavor and fun with your family and friends with Panda Express Catering.
